Omega® Juicers

Limited Warranty

The Omega Nutrition Center is warrantied for 5 years from the date of purchase against defects in materials and workmanship. The Omega Nutrition Center will be repaired or replaced at Omega's option during the 5 year period. This warranty is for normal household (non commercial) use and does not cover damage occurring during shipping or product failure as a result of accident, misuse, alteration, abuse, neglect or improper maintenance. The 5 year warranty is effective only if the product is purchased in United States. This warranty applies only to units used in accordance with supplied instructions. Warranty is void if unit has been altered or modified without Omega's authorization. Removal or rendering serial number illegible voids your warranty. Warranty card must be completed and sent to Omega within 30 days of purchase (or receipt as a gift). A service charge of $10.00 must accompany any unit over one (1) year old. For service, send juicer or part to the following service center.

IMPORTANT SAFEGUARDS

When using electrical appliances, basic safety precautions should always be followed including the following:

- Read all instructions.
- To protect against risk of electrical shock, do not put the motor base in water or other liquid.
- Close supervision is necessary when any appliance is used by or near children.
- Unplug from outlet when not in use, before putting on or taking off parts, and before cleaning.
- Avoid contact with moving parts.
- **DO NOT** operate any appliance with a damaged cord or plug, or after the appliance malfunctions, or is dropped or damaged in any manner. Return appliance to the nearest authorized service facility for examination, repair, or electrical adjustment.
- The use of attachments not recommended or sold by the manufacturer may cause fire, electric shock, or injury.
- **DO NOT** use outdoors.
- **DO NOT** let cord hang over edge of table or counter.
- Always make sure juicer cover is clamped securely in place before motor is turned on.
- Be sure to turn switch to **off** position after each use of your juicer.
- **DO NOT** put your fingers or other objects into the juicer opening while it is in operation. If food becomes lodged in the opening, use the plunger or another piece of fruit to push it down. When this method is not possible, turn the motor **off** and disassemble juicer to remove the remaining food.
- **DO NOT** plug in until familiar with all the instructions and operating procedures.
- **DO NOT** unplug from electrical outlet by pulling on the cord. To unplug, grasp the plug, not the cord, and pull.
- Turn off all controls before unplugging from or plugging into an electrical outlet.

WARNING: This appliance has a polarized plug (one blade is wider than the other). To reduce the risk of electrical shock, this plug will fit in a polarized outlet only one way. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to modify the plug in any way.

Omega® Juicers Nutrition Center

This heavy-duty juicer features a patented stonemill-like screw, made of hygienic U.S. FDA-approved polycarbonate and melamine which prevents poisonous heavy metals from mixing with your fresh juices.
